# The Work of the People of the Ancient Path

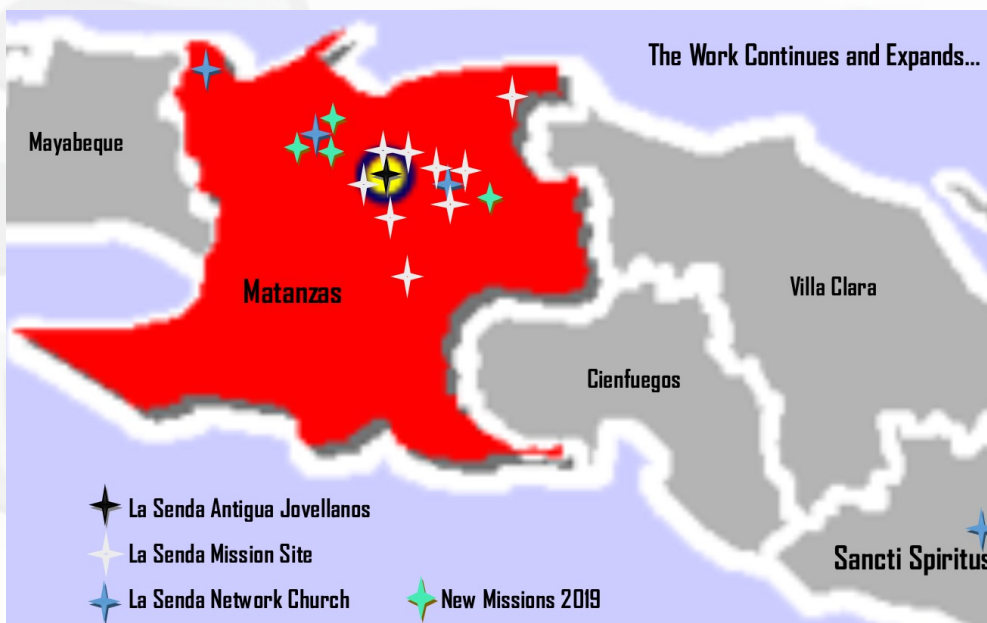

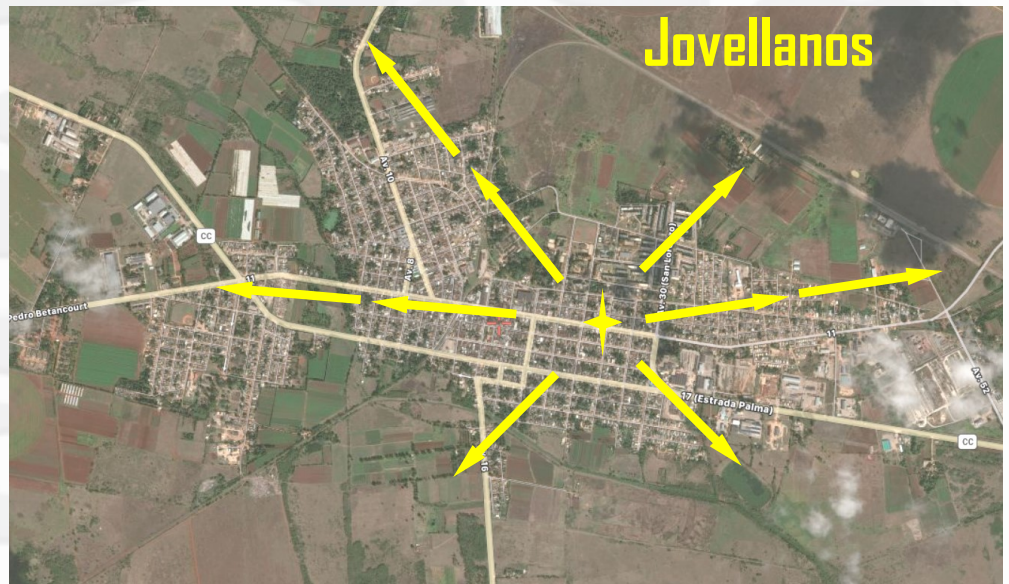

The Kingdom vision of the prophet Isaiah serves as a guide to the mission and vision of the people of La Senda Antigua/The Ancient Path.

Since Day 1 in January, 2011, our work has been to plant, nurture, and grow an expanding network of churches and missions, and to live as a display of God's splendor.

Growing oaks in new places remains our singular focus.

*You will receive power when the Holy Spirit comes on you and you will be my witnesses, in Jerusalem, through all Judea and Samaria, and to the ends of the earth—Acts 1:8*

In the city of Jovellanos, the work of expanding witness has led us to open 10 Casas de Bendicion (Houses of Blessing) in homes of members. Neighbors come for prayer, practical aid, and gospel teaching. Neighborhood Children's Ministry cell sites are now in place in 3 of the 10 houses.

In the surrounding region the planting continues and the fruit is growing. Four new missions are underway since January, 2019. As funding becomes available, our missions in two areas are ready to purchase houses so that pastors can live on site full-time and missions can convert to fully recognized network churches, ready to plant yet more missions.

# Our Pastors & Missionaries

*The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to proclaim good news - Isaiah 61*

# Our Pastors & Missionaries

*They set out and went from village to village, proclaiming the good news and healing people everywhere. —Luke 9:6*

# Supporting Our Pastors & Missionaries

*When Moses' hands grew tired, they took a stone and put it under him and he sat on it. Aaron and Hur held his hands up—one on one side, one on the other—so that his hands remained steady till sunset.—Exodus 17:12*

Every leader needs someone to hold them up and preserve their strength in the heat of spiritual battle. To help see to the emotional and spiritual strength of ours, a team of missionaries from the LeTourneau University School of Psychology & Counseling came to visit with arms and tools to equip our La Senda pastoral/mission team in their work and home lives.

The team presented a 2.5 day workshop for 30+ pastors from our network and local churches in our new multi-purpose gathering space. The professors, graduates, and students led interactive sessions on topics in the work and home life of pastors and their families. Leaders were refreshed, encouraged, and equipped for the work ahead.

During the first week of May, our new ministry partners from CODEX International came and brought an inaugural onsite seminary for network pastors/missionaries. The two classes offered are the first of sixteen by which our spiritual leaders will be able to enrich theological understanding and earn further official credentials.

# Facility Work Moving Forward

*[The Lord] has filled him with the Spirit of God, with wisdom, with understanding, with knowledge and with all kinds of skills— to make artistic designs for work in gold, silver and bronze, to cut and set stones, to work in wood and to engage in all kinds of artistic crafts. -Exodus 35:31-33*

Phase One of La Senda Antigua nears completion as electricity, trim, floors, windows, air, and paint are all happening. The multi-purpose room is fully equipped. Most of this work is done by church members. When we do hire others, they are nearly all non-believers with whom we share hospitality and the love of Jesus.
