2023 MINISTRY PARTNERSHIPS VISION & FINANCIAL PROJECTION

2023 - THE KINGDOM ADVANCES

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.- Matthew 5:14-16

A year to move forward. Salvation, discipleship, training, deployment. (Repeat) Light to the world.

Dear Partner In Ministry

In these pages, with as few words and as many pictures/figures as possible, we offer a compelling vision of the advancement we expect in 2023 and beyond, and support necessary to make it happen. The Spirit is strong in us. Your partnership is key. LET'S GO!!!

KINGDOM CITIZENS/KINGDOM FACILITIES

Isaiah said God's people "will be called oaks of righteousness, a planting of the Lord to display His splendor." We're committed to plant, build Kingdom of God

Efforts work this way. Build people into Kingdom citizens in relationship to God/one another.

Maintain facilities where this can happen.

God has raised up a Spirit-led, Kingdom focused growing family.

Ministry has spread steadily.

We will care for spiritual/physical/emotional well-being of members & leadership in 2023 through partnership.

US & Cuban medical personnel/educators/psychologists/others help ensure wise/healthy servants carrying the Gospel to new people/ places.

Increasing reach of the work has always been a central vision.

Since 2007, José/Yami & Kevin/Tonni have worked with many partners to develop people and spaces.

Expanding facility requires purchase/construction. For years building new structures was the most efficient method of work.

Currency change, extreme inflation, material scarcity, human exodus from Cuba causing property backlog/ low prices have altered strategy. Now, buying is best.

2023 Property Purchase Projection- **\$ 35,000**

KINGDOM CITIZENS/KINGDOM FACILITIES

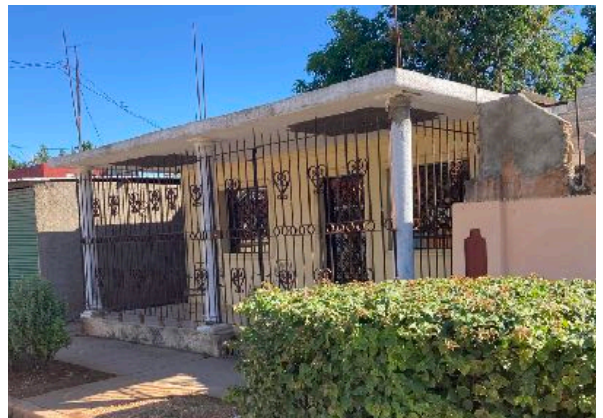

Vision for 2023 calls for advances in making La Senda regional training center for all aspects of ministry/discipleship/deployment/outreach.

Yami pictures sharing resource with many denominations. We're home to regional office of Buenas Nuevas Pentecostal Association and have laid foundation for the work ahead.

2022 saw purchase of the house next to La Senda for classroom/storage space, a small building next to the Santiago home remodeled as a housing for US missionaries and...

A unique property available six blocks from church.

"The Oasis" is large/private, with gathering spaces, swimming pool, mango/plantain trees, full kitchen, outbuildings.

The Oasis already hosts youth/fellowship gatherings.

In 2023, it will transform into conference/training center with lodging for visitors from all over Cuba.

2023 Financial Projection for The Oasis +/-

\$30,000

Potential 2024-25 2nd phase **\$20,000**
for beds/mattresses for 200 guests.

KINGDOM CITIZENS/KINGDOM FACILITIES

In Jan 2023 we purchased two more properties adjacent to La Senda, both to be used for the training/outreach vision.

Outside Jovellanos, ministry is expanding. Bought homes in 2 villages in 2022. Hope to buy in the city of Jagüey Grande in 2023.

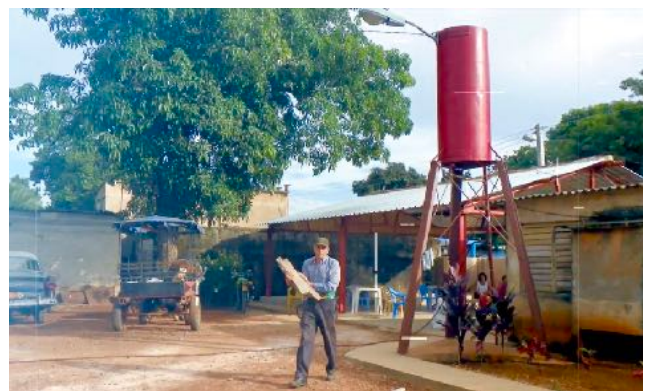

Renovation continues at missions in village Sofia, & province capital Matanzas. More is certain to follow.

Churches in Cuba are born in homes. La Senda Antigua moved from home to a converted pig barn. In 2012, we got a big yard.

Built a garage sort of shelter. The dream has always been a temple built with loving, skilled detail as an offering to the Lord (see Exodus 25-31).

2023 starts final phase of this project. Jan 5/6, church gathered took down a small house with hand tools, clearing way for construction of new worship space. Glory to God.

La Senda Temple Financial Projection is +/- \$70,000.

Nothing goes to waste in Cuba. Current worship shelter to be disassembled/moved/reassembled to serve a mission camp
