2024 MINISTRY / PARTNERSHIP VISION

You are You are a garden fountain, a well of flowing water streaming down from Lebanon.- Song of Songs 4:15

VISIÓN 2024

Año de abrir Pozos donde fluyan las Aguas del Espíritu.

Vision 2024- A year of opening wells flowing with the waters of the Holy Spirit.

Isaac reopened the wells that had been dug in the time of his father Abraham...- Genesis 26:18

2023 proved to have been the single most active year in our short history: in progress of the work, challenges that might have derailed us, and in remarkable financial support from partners across the USA. We are humbled to be doing this Kingdom work and to be in ministry with you.

APM Total Revenue 2022	\$279,046

Whoever believes in me, as Scripture has said, rivers of living water will flow from within them." By this he (Jesus) meant the Spirit, - John 7:38

On Sun. Jan 6 & Sat. Jan 13 (to 800+ gathered for our 13th birthday) Pastora Yami Cruz spoke to La Iglesia Volviendo A La Senda Antigua and proclaimed the promise of God to Christians who have the Spirit of the Living God in us; of the well of salvation and our calling to be wells of living water; not dry nor contaminated, but overflowing with what every human needs to slake their thirst and preserve and prosper their lives.

With joy you will draw water from the well of salvation- Isaiah 12:3

We are God's anointed, wells flowing deeply with the Gospel message, the power of the Holy Spirit flowing out of us like a never failing stream. We have been commissioned to go and, everywhere we go, the water of life should pour from us to quench the thirst of a parched and weary humanity. This is vision of 2024 for La Iglesia Volviendo A La Senda Antigua, Ancient Path Ministries.

On the pages ahead, a look at the scope of ministry and the projected financial investment needed to make it happen.

As this document takes shape, we are turning the corner into February and already the challenges that lay ahead of us and the unstoppable movement of the Kingdom of God have been evident in the first weeks of this year.

SOULS SAVED. NEW LIVES IN CHRIST.

Nothing made possible by your partnership is more important than helping people experience the love and grace of Christ and welcoming them as brothers/sisters/fellow citizens of the Kingdom of God.

80%+ of our flock were rescued from atheism/witchcraft/black magic/pagan practices common in Cuba.

Reaching more and more souls for Christ will always be the focus of our calling and what we do. Preaching, teaching, serving, equipping, project, building, etc. It's all about saving souls.

BUILDING KINGDOM CITIZENS

Isaiah said God's people "will be called oaks of righteousness, a planting of the Lord to display His splendor."

We're committed to new planting for the Kingdom of God.

Our efforts work this way.

- Build Kingdom citizens in relation to God/one another.
- Maintain facilities where this can happen.

We care for spiritual/physical/emotional well-being of members & leadership in through several partnerships.

US & Cuban medical personnel/educators/psychologists/others help ensure wise/healthy servants carrying the Gospel to new people/places.

La Senda maintains volunteer teams equipped for experiencing the powerful presence of God through music, liturgy, dance, drama ministries.

MAINTAINING KINGDOM FACILITIES

Bringing people from captivity/brokenness to healed, commissioned Kingdom citizenship is multi-faceted work. Therefore we must obtain, renovate, and maintain property in many communities we serve.

Expanding facility requires purchase/construction.

Currency change, extreme inflation, scarcity, human exodus from Cuba causing property backlog/low prices altered our strategy. Now, building purchase is our primary method for procuring new facilities .

2024 Property Purchase Projection- **\$ 21,000**

Jan 2024. House suddenly became available for pastors/two children who had slept in one bed w/outhouse for bathing/toilet. Though modest, provides a better shelter/a yard for gatherings.

2023 was to be a year to realize the vision of a large sanctuary on site @ La Senda. Hunger in Cuba changed our plans. \$70,000 budget abandoned for \$5,000 extension/renovation so we could implement IMPACT food ministry. Renovation continues in 2024. Increased attendance requires more chairs/tables. Everywhere.

Overnight guests need restroom/shower facilities. Restrooms in place. Showers coming 2024.

An old house is being remodeled as prep kitchen/storage for the expanded food ministries.

El Oasis-A local site currently taking shape to serve as regional training/conference center for all aspects of ministry.

In and out of town, in the mission churches, much renovation is taking place. 2024 plans include floors, ceilings, classrooms, and a lot of maintenance.
